

**Agreement Sheet - 2022 Summer Runs June 13<sup>th</sup> – August 26<sup>th</sup>**

Child's Name \_\_\_\_\_ Parent's Name \_\_\_\_\_ Starting on (date) \_\_\_\_\_

The following chart is for your child's hours at the Center. **Contract tuition:** An agreement sheet, with your child's specific hours, will need to be filled out for staffing, scheduling and billing purposes. All 11 weeks of the summer schedule need to be turned in to secure your child's summer spot. These weeks can vary from week to week but need to be given at time of summer registration. You also can have a week with no hours, but again it needs to be given at time of registration. When you turn in these 11 weeks at registration time we can staff, budget and bill more adequately and will be passing along a reduced rate. Any modifications turned in after registration are acceptable but there will be no price reductions. Extra days will be billed at the non-contract price.

**Non-Contract tuition:** If you don't have all 11 weeks available to turn in at registration you will be considered non-contract and billed the non-contract tuition rate. You can fill out a new agreement sheet weekly, but it needs to be filled out and turned in two full weeks before the change occurs. This will be used for staffing and billing purposes. Two weeks in advance means: a full 2 Monday through Friday weeks ahead of the weeks change. If you need a change on a Wednesday, you still need to turn in the change on the Monday two weeks before, not on the Wednesday two weeks before.

These forms are located, in a basket, on the counter, of the check in desk. Payment may be made weekly or biweekly, but all payments must be made before care is provided. If your schedule is consistent, invoices will not be given because your tuition will be the same each week. If your schedule varies you may ask a staff member for the tuition due before making your payment.
